	APPLICABLE CALEA STANDARDS 41.2.4		ISSUE DATE 02/01/96
			REVISION DATE 01/15/08
			TOTAL PAGES 26

17.14.01 PURPOSE

To establish a basic protocol for members serving as a Shift Commander and to establish clear lines of authority for all sworn law enforcement and non-sworn communications center personnel.

17.14.02 POLICY

It is the policy of the Florida Highway Patrol to provide command oversight and administration via a Shift Commander in each of the regional communications centers throughout the state on a 24-hour basis.

17.14.03 OBJECTIVES

To provide command oversight and administration for sworn law enforcement and non-sworn communications center personnel on each shift via a Shift Commander. The Shift Commander shall insure efficient and effective law enforcement activities, efficient personnel allocation, proper critical incident management, effective communications management, and timely command staff notification of serious and newsworthy incidents. The Shift Commander will carry out these duties through his or her own actions and by providing support, guidance and direction for other members and supervisors.

17.14.04 RESPONSIBILITIES

A. TROOP COMMANDERS

Troop Commanders that have a Regional Communication Centers under their command are responsible for ensuring that a Shift Commander is scheduled for duty at all times.

1. The Troop Commander may supplement designated Shift Commander Staff by assigning a District Lieutenant, District Sergeant or Reserve member holding the rank of Lieutenant or above to perform the duties of a Shift Commander based on unexpected or critical staffing needs.

B. REGIONAL COMMUNICATIONS CENTER COMMANDERS

A member holding the rank of Captain shall command each Regional Communications Center.

1. The Regional Communications Center Commander is responsible for the effective operation of the communications center.
2. The Regional Communications Center Commander shall establish a schedule to insure Shift Commander coverage on a twenty-four hour basis in the RCC.
3. The Regional Communications Center Commander shall insure all Shift Commanders are properly trained.

C. SHIFT COMMANDERS

Shift Commanders will perform the following duties:

1. Manage the operation of the shift, including command oversight and administration of non-sworn communications center personnel and sworn personnel operating within the Regional Communications Center's area of responsibility.
2. The Shift Commander will not generally perform direct supervisory duties normally afforded to a District Lieutenant, but will coordinate their efforts through the appropriate District's Command Staff. However, in the event that a District Commander and District Lieutenant are unavailable, the Shift Commander shall assume the supervisory duties and authority of the District Lieutenant until otherwise relieved.
3. Monitor the appropriateness of zone assignments and provide for zone coverage in the event a zone is vacated, in consultation with on-duty District supervisory personnel.
4. Monitor communications between patrol officers and the communications center and insure proper radio procedures by both sworn and non-sworn members.
5. Coordinate the order of dispatch of calls for service during critical time periods and when the numbers of calls for service exceed the number of available units.
6. Coordinate assistance between districts when the need arises.
7. Manage critical incidents to insure proper and effective response by zone units, supervisors and other emergency service agencies when requested by the FHP according to the procedures listed in 17.14.05.B.

8. Provide timely notification to appropriate command staff concerning significant and/or newsworthy incidents.
9. Perform limited public information duties as outlined in 17.14.05.C.
10. Insure completion of Press Releases, Briefing Reports, and Shift Commander Logs as outlined in 17.14.05.C, D, and E.
11. Provide required command oversight and administration for all other State Law Enforcement Agencies covered under any Joint Dispatch agreements currently in force as outlined in 17.14.05.I.

D. SWORN LAW ENFORCEMENT AND NON-SWORN PERSONNEL

In the absence of on-duty District supervision, all subordinate personnel shall follow the orders of Shift Commander as required under Florida Highway Patrol Policy 3.03.06.A.

17.14.05 PROCEDURES

A. SHIFT COMMANDER ASSIGNMENTS

1. Shift Commanders will be assigned to the Regional Communications Center and will remain at the center during their assigned shift, unless assigned other duties.
2. Shift Commanders should normally be assigned to the Communications Center's main work area. When authorized, Shift Commanders may be assigned additional duties requiring duties outside the communications center.
3. In the event of a serious incident or other situation requiring direct command oversight, the Shift Commander will return to the communications center's main work area.

B. CRITICAL INCIDENT MANAGEMENT

Shift Commanders and District Supervisors will perform the following duties during critical incident management:

1. Insure appropriate personnel assignments and supervisory coverage at the scene of a critical incident. On scene supervision will be provided by the appropriate District Supervisor and will be coordinated by the Shift Commander.
2. The Incident Commander or in the absence of an Incident Commander the senior trooper on scene will be responsible for providing a briefing to the Shift Commander as soon as possible after arrival at the scene and as necessary throughout the incident.

- a. The District Supervisor is responsible for notifying the Shift Commander of any change in status or information throughout the duration of the incident.
 - b. The Shift Commander shall be responsible for the proper dissemination of information to the appropriate command staff.
 - c. Shift Commanders will closely monitor the radio talk group(s) assigned to the critical incident and the appropriate supervisor talk group(s) throughout the duration of the incident.
3. Shift Commanders shall request assistance from other agencies when appropriate and coordinate their involvement with FHP personnel.
4. Shift Commanders shall notify and brief the appropriate Public Affairs Officer regarding all Critical Incidents and shall coordinate and insure the completion of a press release with the Public Affairs Officer. If appropriate, the Shift Commander shall request that the Public Affairs Officer respond to the scene.
5. Shift Commanders shall notify the appropriate Troop Commander and District Commander regarding all Critical Incidents. AS APPROPRIATE
6. Shift Commanders shall insure completion and dissemination of a Briefing Report by the appropriate district personnel.
7. Shift Commanders shall utilize, as necessary, the appropriate checklist(s) in Addendum 17.14-1 through 17.14-18.
8. Shift Commanders shall follow the appropriate notification protocol listed in Addendum 17.14-19 through 17.14-21 when notifying command staff or calling out or notifying the Bureau of Investigations.

C. MEDIA RELATIONS

1. All media requests received by a Shift Commander will be forwarded to the appropriate Public Affairs Officer or their designee. In the absence of a Public Affairs Officer or their designee, the Shift Commander shall coordinate the appropriate response to all media requests. The appropriate Public Affairs Officer or primary member assigned to an incident will generally complete an FHP Press Releases.
2. Press releases generated by field personnel will be reviewed and approved by the appropriate District Supervisor and/or Public Affairs

Officer, who shall then inform the Shift Commander that the press release has been completed.

3. Shift Commanders shall be responsible for ensuring that each press release generated by field personnel is electronically posted or electronically distributed to all appropriate media outlets.
4. Nothing shall preclude a Shift Commander from assisting field personnel or the Public Affairs Officer in completion of a press release or providing information or other appropriate response to media requests.

D. COMMAND NOTIFICATION

Briefing Reports should be distributed to appropriate command staff via email.

1. Shift Commanders are responsible for insuring the timely completion and distribution of Briefing Reports by a District Supervisor as required by Florida Highway Patrol policy and this chapter.
2. Briefing Reports are generally to be completed by a district supervisor. However, nothing precludes a Shift Commander from assisting district supervisors in completing or distributing the report.

E. SHIFT COMMANDER LOG

1. The Shift Commander Log shall be maintained by each Regional Communications Center.
2. Shift Commanders shall complete appropriate entries in the designated Shift Commander Log.
3. The Shift Commander Log shall include notations of staffing levels for each District and each shift.
4. Listed below are typical, but not comprehensive, examples of Florida Highway Patrol Shift Commander Log entries:

- m. Any Event that the appropriate Troop Commander requires.

5. A case number or CAD incident number shall accompany each entry into the Shift Commander Log for future retrieval and reference.

F. AMBER ALERTS

- 1. All Amber Alerts shall be handled in adherence to the established protocol outlined in Addendum 17.14-17.
- 2. The Regional Communications Center that is responsible for issuing the Amber Alert shall be responsible for completing all required reports.
- 3. All Regional Communications Centers that are affected by an Amber Alert shall provide the issuing Regional Communications Center with any information and/or documentation necessary for completion of required reports.

G. DOMESTIC SECURITY EVENTS

- 1. Any domestic security event shall be immediately reported to the appropriate Troop Commander(s), District Commander(s), the Florida Highway Patrol Homeland Security Administrator, the ranking supervisor for each Joint Dispatch agency and each Regional Communications Center.
- 2. Shift Commanders shall coordinate the reporting of Domestic Security Events to the appropriate Emergency Operations Center(s) and/or Regional Domestic Security Task Force(s) as directed by the Florida Highway Patrol Homeland Security Administrator.

H. ARREST OR DETENTION OF FOREIGN NATIONALS, DIPLOMATS OR CONSULAR OFFICIALS

Sworn members are responsible for immediately notifying the Shift Commander regarding the physical arrest or detention of any Foreign National.

- 1. The arresting/detaining member shall provide the Shift Commander with any information necessary to coordinate the proper notification(s) as required by United States Department of State Publication 10518.
- 2. The arresting/detaining member shall be responsible for the actual notification as required by the United States Department of State.
- 3. The Shift Commander shall be responsible for coordinating the proper Consular Notification as required by United States Dept. of State Publication 10518 (http://travel.state.gov/consul_notify.html)

4. Shift Commanders shall assist sworn members in determining immunity status of Diplomatic or Consular Officials of a foreign government by accessing the United States Department of State website page at <http://www.state.gov/m/ds/immunities/c9127.htm>

I. STATE LAW ENFORCEMENT JOINT DISPATCH

All Shift Commanders shall be familiar with the various Memoranda of Understanding and/or Joint Dispatch Protocols for each state law enforcement agency served by the Regional Communications Center to which they are assigned and all related documents shall be kept readily available in the Shift Commanders' normal work area.

J. SIGNIFICANT ROAD CLOSURES

Road closures in excess of 20 minutes that occur on limited access roadways and main arterial roadways shall be entered into the EOC On-Line website by the Shift Commander.

- 1 Road closures shall be entered into CAD with appropriate notes for automatic distribution to the FHP web site and the FDOT 5-1-1 system.
- 2 The process for entering information into the EOC On-Line website shall be maintained in Addendum 17.14-4.
- 3 Addendum 17.14-4 shall be maintained electronically.
- 4 Shift Commanders shall remove entries from the EOC On-Line system as soon as the road reopens.
- 5 Each time a Shift Commander enters or deletes a road closure in the EOC On-Line system they shall also notify the State Warning Point at 1-800-320- 0519 or (850) 413-9900.
